

# Policy statement

## Part 1: Statement of intent

This is the health and safety policy statement of:

MESH Ballet

Our health and safety policy is to:

- ensure the health and safety of all students, visitors, staff and volunteers
- prevent accidents in the school
- manage health and safety risks in the school
- maintain safe and healthy working and learning conditions
- implement emergency procedures, including evacuation in case of fire or other significant event
- review this policy regularly and revise where necessary

## Part 2: Responsibilities for health and safety

1 Overall and final responsibility for health and safety:

Su Crossland (Principal)

2 Day-to-day responsibility for ensuring this policy is put into practice:

Su Crossland (Principal)

3 To ensure health and safety standards are maintained/improved, the following people have responsibility in the following areas:

Su Crossland (Principal) all areas

4 All employees should:

- co-operate with supervisors and managers on health and safety matters;
- take reasonable care of their own health and safety; and
- report all health and safety concerns to an appropriate person (as detailed above).

## Part 3: Arrangements for health and safety

### *Risk assessment*

- we will complete risk assessments where relevant and action them accordingly
- we will review risk assessments as often as necessary

### *Training*

- we will ensure staff and volunteers have the appropriate training for their roles
- we will review training needs as often as necessary
- we will always strive to continue our professional development and promote best practice

### *Consultation*

- we will consult with any relevant staff or volunteers on health and safety matters as they arise and during routine review

### *Evacuation*

- local evacuation procedures for each hired venue will be adhered to
